

# equipping the saints

# WEEK 1

## **FEB 12-18: SHARE YOUR STORY.**

Here are a few things to note when sharing your story of God throughout your life with your group this week:

- Family and background
- Major life childhood events (Positive or negative)
- When and how you met Jesus.

(For those who've been Christians since childhood, be vulnerable about your struggles as a growing Christian—the "how" may be a time when the gospel really sank in, and you understood it at a deeper level)

- History with the Church. How did you end up at RCC
- What are you hoping to get out of this season?
