WEEK 9

APRIL 9-APRIL 15: READ CHAPTER 7. DAILY OFFICE WEEK 7

After reading chapter seven, be prepared to answer the following questions with your small group:

Why do you think we can be committed and growing in christ and yet not be growing in our ability to be “prayerfully present” or loving toward others?

What are some of your challenges when it comes to loving your neighbor AND loving yourself?

How can you practice the presence of people within an awareness of his presence?

Is there someone God is calling you to stop judging?

What might it look like to bless and extend mercy to them?

*Application activity
