

MARCH 26- APRIL 1: READ CHAPTER 5.

After reading chapter four, be prepared to answer the following questions with your small group:

As you were growing up, how did you deal with your disappointments and sadness?

Go over and identify the Common Defenses list the group leader has. In what ways is God bringing you to your knees before him through difficulties and setbacks in your life today?

In what ways are you tempted to spin or cover your losses and miss God's deeper work in your interior?
